

Arva Consulting Renew Concluded an Annual Contract with SOS Children's Villages

Arva Consulting Renew concluded an annual contract with [SOS Children's Villages](#) last June.

SOS Children's Villages International is an independent, non-governmental organization for social development. The founder of the SOS Children's Villages model is the Austrian Hermann Gmeiner, who in the period after the Second World War was faced with the problems of many children left without a home and family. In 1949, he founded the first SOS Children's Village in Imst, Austria. In the 1960s, the SOS model spread beyond the borders of Europe and in 1964, the International Organization SOS Children's Villages was founded, which is today represented in 135 countries.

For 35 years now, SOS Children's Villages Bulgaria has been providing care, prevention and advocacy.

- SOS Children's Villages Bulgaria was established 35 years ago.
- 3895 children have been supported not to lose the care of their families;
- 1070 foster families were trained and supported; 1015 children received care and protection in our foster families and in our Family-type Accommodation Centers;
- 405 young people started their independent lives;

The Association "SOS Children's Villages Bulgaria" is part of the large international family "SOS Children's Villages International", which since 1949 has been caring for nearly 2,500,000 children in 135 countries around the world.

You can also change children destinies through a small monthly donation, don't wait - join the foundation today!
